We are looking for participants!

We are looking for participants for a study by the Berlin Institute on Integration and Migration Research. In the study we will examine how people interact with each other online. For this purpose we are looking for **male participants from Afghanistan** that are **between 20 and 30 years old**. In this experiment you will play a virtual game with other participants and then answer a number of questions.

The duration of the experiment will be one hour. For your participation in our study you will **receive 20 Euros**.

If you are interested in participating in our study, you can call us or write to us on WhatsApp: 015171180739, or contact us via e-mail at **bimexitt@hu-berlin.de**.
